

NAME

archive_write_new — functions for creating archives

LIBRARY

Streaming Archive Library (libarchive, -larchive)

SYNOPSIS

```
#include <archive.h>

struct archive *
archive_write_new(void);
```

DESCRIPTION

Allocates and initializes a struct archive object suitable for writing a tar archive. `NULL` is returned on error.

A complete description of the struct archive object can be found in the overview manual page for `libarchive(3)`.
